Atlanta, January 11, 2017 --- Invesco Ltd. (NYSE: IVZ) today reported preliminary month-end assets under management (AUM) of \$812.9 billion, an increase of 0.9% month over month. The increase was driven by favorable market returns, an increase in money market AUM, and inflows in PowerShares QQQ's; partially offset by negative foreign exchange and modest net long-term outflows. FX decreased AUM by \$1.5 billion. Preliminary average total AUM for the quarter through December 31 were \$809.0 billion, and preliminary average active AUM for the quarter through December 31 were \$667.0 billion.

Total Assets Under Management						
(in billions)	Total	Equity	Fixed Income	Balanced	Money Market	Alternatives
