Invesco Australia appoints Scott Bennett to newly established position of Director, Invesco Solutions

28 August 2025 – Invesco Australia, the local arm of global investment management firm, Invesco Ltd, announces the appointment of Scott Bennett to the newly established position of Director, Invesco Solutions.

Bennett transitions from his role as Director, Factor Investing & Multi-Asset Strategies within the Australian Client Group, into Invesco's global solutions team. The move will offer clients greater access to Invesco's global solutions platform and further Invesco Australia's growth ambitions across wholesale and institutional channels.

Reporting to Erhard Radatz, Global Head of Portfolio Management, Bennett's responsibilities will expand to cover the full spectrum of Invesco Solutions offerings, including Invesco Quantitative Solutions ('IQS'), Index Solutions, Multi Asset and Private Market Solutions. Bennett's remit will also include leading the Australian-based IQS team, to facilitate continued alignment with the global solutions business. There are no changes to the IQS portfolio management team or their responsibilities.

Jonathon Crook, Managing Director, Head of Australia and New Zealand at Invesco commented:

"Expanding Scott's role highlights Invesco Australia's commitment to the market. It's another step forward in our mission to deliver market-leading, outcome-oriented solutions to clients across Australia and New Zealand. Locally, the IQS team play a pivotal role managing our flagship equity strategies, delivering cost-effective alpha which has been instrumental in growing our Australian business. In a leadership capacity, Scott will support the team's continued success and amplify the suite of innovative capabilities we have to offer."

Scott Bennett, Director, Invesco Solutions at Invesco adds: "I am delighted to take on this expanded role, leveraging my prior experience developing systematic investment solutions and leading high-performing quantitative teams to drive business growth. There's market demand for systematic solutions, and our IQS team's deep expertise, innovation, and commitment to excellence have built Invesco's reputation as a leader in this space. I'm excited to build on this strong foundation, working closely with this team to continue to deliver impactful outcomes for clients. Whilst in collaboration with the broader Invesco Solutions business, play a key role in developing market-first strategies that address our clients' unique investment challenges."
