SCHEME MEMBER'S REQUEST FOR ACCOUNT CONSOLIDATION FORM (for consolidating multiple personal accounts into one account)

Section 149 of the Mandatory Provident Fund Schemes (General) Regulation (Cap 485A)

Please read the following **important notes** before completing this Form.

Filling In This Form

- (a) This Form is to be used for consolidating multiple personal accounts into one account of your election.
- (b) You must fill in both this Form (one page) and the Appendix (one page) and submit them (two pages in total) to your elected trustee and keep a copy for your future reference. If any information provided, including your signature, is incorrect or incomplete, the trustees may not be able to process your request promptly.
- (c) The personal data to be supplied in support of this election of transfer are to be used for processing your request for account consolidation. The personal data you supply may, for such purpose, be transferred to the trustee(s) concerned, the relevant service provider(s), and the government or regulatory bodies including the Mandatory Provident Fund Schemes Authority (MPFA).
- (d) "Consolidation" and "consolidating" of multiple personal accounts refers to transferring all MPF accrued benefits (benefits) from several MPF personal accounts to an account under your elected MPF registered scheme (scheme).
- (e) "Contribution account" - an account in a scheme which is mainly used to receive MPF contributions (both employer and employee portions) made by an employer for or on behalf of the employee or MPF contributions made by a self-employed person.
- (f) "Personal account" - an account in a scheme which is mainly used to receive the benefits transferred from other contribution or personal account(s).

Reminders Before Consolidating

- (g) Please ensure that you have a personal account or a contribution account in your elected scheme to which the benefits in your personal accounts indicated in the Appendix are to be transferred and consolidated. Otherwise, you have to submit a membership enrollment form before or at the same time you submit this Form and the Appendix to your elected trustee. Please consult your elected trustee for the procedures and required documents for setting up an account.
- (h) For each of your personal accounts to be consolidated using this Form, the entirety of your benefits in the account, including voluntary contributions (if any and subject to the governing rules of the scheme), will be transferred to your elected scheme in a lump sum.
- (i) In order to prevent a third party from filling in incorrect information, please **DO NOT sign on a blank form**. After the completed Form and Appendix have been received by your elected trustee, the administration procedures taken by the trustees may not be reversible.
- (j) If you are currently investing in an MPF guaranteed fund, a transfer of the benefits out of that guaranteed fund may result in some or all of the guarantee conditions not being satisfied; thus affecting your entitlement to the guarantee. Please check the offering document of the scheme(s) or consult your trustee(s) for details.
- (k) If you wish to transfer your benefits from one scheme to another, please be aware of how the transferred-in benefits will be invested. In general, the transferred-in benefits will be invested according to the default investment strategy (DIS) if you either (i) do not give or have not given any investment instructions for the account to the trustee of your elected scheme or (ii) have given investment instructions for the account to invest benefits according to the DIS. Please approach the trustee of the elected scheme to seek clarification, where necessary. If you wish to change or specify an investment instruction for the account in the elected scheme, please also approach the trustee of the elected scheme.
- (l) If you have reached, or are approaching, the age of 50 and your benefits are currently invested according to the DIS of the scheme, you should be aware that the de-risking mechanism of the DIS starts at the age of 50. If the annual de-risking of your investment in the DIS and your transfer request take place at around the same time, the trustee of the scheme shall sequence the de-risking and the transfer request in accordance with its procedures and in compliance with the Mandatory

Provident Fund Schemes Ordinance. Please consult the relevant trustee(s) if you wish to know the details of how the trustee(s) will handle these transactions.

- (m) Please refer to the MPFA's publications available from the MPFA website (www.mpfa.org.hk) for the factors to consider when choosing a scheme and the potential risks involved in MPF investment.

Enquiries

- (n) Information about a scheme is set out in the offering document of that scheme. This information will assist you in making a decision about whether to make a transfer of benefits to that scheme. Please contact the relevant trustees for enquiries about account details and information on specific schemes or funds.
