

Important Information for Mutual Fund Clients Regarding Form 5500 Schedule C Reporting for FYE 2024

Prepared for:
Invesco Advisers, Inc.
EIN: 58-1707262
1555 Peachtree Street, N.E.
Atlanta, GA 30309

See Fund Table for specific Invesco fund details, including complete fund names, ticker symbols, CUSIP numbers, fiscal year ends (FYE), net assets, net expense ratios, and investment management fees.

I. Purpose of Information

To assist plan sponsors, plan administrators, investment consultants, auditors, broker-dealers, financial advisors, record keepers and third-party administrators ("TPAs") of plans invested in the open-end mutual funds of the Invesco family of funds (the "Fund(s)") with respect to Form 5500 Schedule C reporting for the plans, Invesco has prepared the disclosure set forth below from information contained in the disclosure documents, including prospectus(es), statement(s) of additional information ("SAI"), and shareholder reports for the corresponding fiscal year end ("FYE") of each Fund, which previously have been provided to investors in the Funds. Current disclosure documents may be accessed on our public website at www.invesco.com/portal/site/us/investors/prospectus.

As an initial matter, please note that the information contained below relates solely to Reportable Compensation (as defined under Schedule C) received by Invesco Advisers, Inc. ("Invesco Advisers") and its affiliated mutual fund service providers, but does not purport to report compensation paid by Invesco Advisers to unaffiliated service providers. Because Invesco Advisers and its affiliates are not the ultimate recipients of such compensation, we believe that the entities that ultimately receive any such compensation or who have a direct relationship with a plan are in a better position to report their total direct and indirect compensation for services to the plan. We intend that all such Reportable Compensation received by Invesco Advisers and its affiliates, as described below, is within the definition of Eligible Indirect Compensation ("EIC").

PLEASE NOTE THAT THIS DOCUMENT IS NOT AND SHALL NOT BE DEEMED TO CONSTITUTE LEGAL ADVICE TO PLAN SPONSORS AND PLAN ADMINISTRATORS OF PLANS SUBJECT TO FORM 5500 SCHEDULE C REPORTING OBLIGATIONS REGARDING COMPLIANCE WITH ERISA REPORTING REQUIREMENTS AND IS ONLY INTENDED TO FURNISH INFORMATION TO ASSIST IN THE PREPARATION OF SCHEDULE C. THE FUNDS, AND THE ENTITIES THAT PROVIDE SERVICES TO THOSE FUNDS, ARE NOT SERVICE PROVIDERS TO THE PLANS (EXCEPT THAT THOSE ENTITIES MAY BE CONSIDERED INDIRECT SERVICE PROVIDERS TO THE PLANS FOR THE LIMITED PURPOSES OF SCHEDULE C DISCLOSURE). THIS DOCUMENT IS NOT INTENDED TO CONSTITUTE AN OFFER TO SELL SECURITIES OR PROVIDE ANY DISCLOSURES REQUIRED BY SECURITIES LAWS. IN THE EVENT OF ANY INCONSISTENCY BETWEEN A FUND'S DISCLOSURE DOCUMENTS AND THE INFORMATION PROVIDED BELOW, THE APPLICABLE FUND DISCLOSURE DOCUMENTS SHALL GOVERN.

II. Compensation Earned by the Funds' Adviser and its Affiliates

Investment Management Fees

Invesco Advisers is engaged in the business of advising or sub-advising certain affiliated and non-affiliated registered investment companies. Invesco Advisers generally provides both investment advisory services and administrative services to registered investment companies or their separate portfolios distributed by the Funds' distributor, Invesco Distributors, Inc. ("Invesco Distributors"). Investment advisory services provided by Invesco Advisers include the selection of securities and the placement of orders for the purchase and sale of securities. The investment management fee applies to all fund assets, including assets of the plan invested in the fund. Please see the "Fees and Expenses of the Fund" section of the Fund's prospectus and the "Investment Advisory and Other Services – Investment Adviser" section and "Management Fees"

appendix of the SAI for additional information including the amount or description used to calculate this compensation. Additionally, please refer to the Fund Table for the investment management fee ratio as of the applicable Fund's FYE.

Distribution and/or Service (12b-1) Fees

The Fund's 12b-1 fee is paid pursuant to a distribution plan approved by the Fund's board of directors under SEC Rule 12b-1. This fee is used to compensate broker/dealers and others for distribution and/or shareholder or account services. For plan-related accounts that do not indicate a specific outside broker/dealer of record, Invesco Distributors serves as the broker/dealer of record and receives 12b-1 fees related to the assets in those accounts. Please see the "Fees and Expenses of the Fund" section of the Fund's prospectus and the "Distribution of Securities – Distribution Plans" section of the SAI for additional information including the amount or description used to calculate this compensation. Additionally, please refer to the Fund Table for the maximum 12b-1 fee rate allowed under a Fund's Rule 12b-1 Plan as of the applicable Fund's FYE. For information applicable to a specific plan please consult the plan's service provider, record keeper or TPA.

Transfer Agent Fees

The Funds have entered into a transfer agency and service agreement with Invesco Investment Services, Inc. ("IIS"), pursuant to which IIS serves as the Funds' transfer agent, shareholder servicing agent and dividend disbursing agent. As consideration for the services it provides, IIS receives transfer agency fees in the amounts that are determined through negotiations with the Funds and are approved by the Funds' Board of Trustees. IIS' responsibilities as transfer agent include maintaining shareholder accounts, disbursing cash dividends and reinvesting dividends, processing account registration changes, processing purchase and redemption transactions, mailing prospectuses and reports, mailing and tabulating proxies, processing share certificate transactions and maintaining shareholder records and lists. Please see the "Investment Advisory and Other Services – Other Service Providers – Transfer Agent" section of the Fund's SAI for information including the amount or description used to calculate this compensation. Additionally, please refer to the Fund Table for transfer agency fees expended as of the applicable Fund's FYE.

When shares are owned or held by financial institutions for the benefit of their customers, some or all of the transfer agency functions for these accounts are performed by the financial institution ("Sub-Accounting Services"). Please see the "Payments to Financial Intermediaries" section of the Fund's prospectus and the "Purchase, Redemption and Pricing of Shares" appendix of the SAI for additional information. For rates and/or dollar amounts for Sub-Accounting Services applicable to such accounts for a plan, please consult the plan's service provider, record keeper or TPA.

Sales Loads (Front-End and CDSC)

Sales charges (sometimes called "loads") are fees charged to fund shareholders that are used to compensate Invesco Distributors and participating brokers and financial advisors who act as intermediaries between a fund and its shareholders for expenses incurred in connection with the sale and distribution of fund shares. Please see the "Initial Sales Charges" and "Contingent Deferred Sales Charges" sections of the Fund's prospectus and the "Purchase, Redemption and Pricing of Shares" appendix of the SAI for additional information including the amount or description used to calculate this compensation. For actual dollar amounts applicable to a plan, please consult the plan's service provider, record keeper or TPA.

Soft Dollars

Soft Dollars Generally

In connection with the advisory and sub-advisory services it engages in, Invesco Advisers may enter into arrangements by which certain brokers will provide products, research, and other services in exchange for executing client (including Fund) brokerage transactions through that particular broker. These products and services are paid for by the use of clients' (including Funds') commissions ("soft dollars") and Invesco

Advisers is eligible to receive these products and services from a particular broker-dealer because Invesco Advisers executes client (including Fund) brokerage transactions through such broker.

Types of Soft Dollar Services

The types of soft dollar services Invesco Advisers may obtain and use are (i) "proprietary research" created by the broker executing the transaction, and (ii) "third-party research" created by third-party entities and supplied to Invesco Advisers through the executing broker-dealer.

Invesco Advisers also uses soft dollars to acquire third-party research that is supplied to Invesco Advisers through, and paid for by, the broker executing a client's (including a Fund's) trade (or other broker who "steps in" to a transaction and receives a portion of the brokerage commission for the trade).

Products and services that are obtained through the use of soft dollars may include research analysis reports, electronic databases, on-line quotation services, industry publications, economic forecasting, and consulting services, and products that facilitate trade execution.

For additional information on soft dollars, please see the "Brokerage Allocation and Other Practices" section and the "Directed Brokerage (Research Services)" appendix in the Fund's SAI.

Gifts, Entertainment and Other Non-Monetary Compensation

To the best of our knowledge and belief, there is no such compensation required to be reported for purposes of Schedule C.

III. Note on Additional Compensation Payable to Non-Affiliated Third Parties

Please note that Invesco Distributors or its affiliates may make financial support payments as incentives to certain financial advisers to promote and sell shares of the Funds. Invesco Distributors or its affiliates compensate financial advisers differently depending typically on the level and/or type of considerations provided by the financial advisers. In addition, payments typically apply only to retail sales, and may not apply to other types of sales or assets (such as sales to retirement plans, qualified tuition programs, or fee based adviser programs – some of which may generate certain other payments described below). From time to time, Invesco Distributors or its affiliates, at their expense and out of their own resources, may provide additional compensation to financial advisers which sell or arrange for the sale of shares of a Fund. Such compensation provided by Invesco Distributors or its affiliates may include payment of ticket charges per purchase or exchange order placed by a financial adviser, one-time payments for ancillary services such as setting up funds on a financial adviser's mutual fund trading systems, financial assistance to financial advisers that enable Invesco Distributors or its affiliates to participate in and/or present at conferences or seminars, sales or training programs for invited registered representatives and other employees, client entertainment, client and investor events, and other financial adviser-sponsored events, and travel expenses, including lodging incurred by registered representatives and other employees in connection with client prospecting, retention and due diligence trips. For information on these payments applicable to a specific plan, please consult the plan's service provider, record keeper or TPA.

IV. Additional Information

The Funds' Annual Reports to Shareholders may be accessed at www.invesco.com/portal/site/us/investors/prospectus. Please see the Department of Labor website for more information on Form 5500 Schedule C. For further information, Invesco encourages plan sponsors and plan administrators to consult the plan's service provider, record keeper or TPA.
