CA Representative

Charlottetown, Canada

Pronouns: she/her

How can non-LGBT+ identifying individuals be good allies during Pride month and beyond?

“Research and find out what each of the terms can mean in the LGBTQIA+. If they and the person are comfortable, ask respectful, appropriate questions! I explained what being an Ace meant to my Aunt when she asked. Volunteer to help youth who struggle with identifying with themselves and need a safe place. It’s all about support, respect, understanding and not treating anyone any differently.”
