

Yogesh Malhotra

Head, Hyderabad Office

Hyderabad, India

Pronouns: he/him

“Since the abolishment of section 377 in India last year, organizations have been warming up to inclusion of LGBT+ at the workplace. We, at Invesco Hyderabad are celebrating the Pride month in its true spirit by creating awareness and promoting allyship. Allies are our change agents who will encourage individuals to bring their authentic self to work and help create a welcoming and inclusive environment thus inspiring others to follow suit.”
