Gareth Isaac, CFA®

Gareth Isaac is the Chief Investment Officer, EMEA (Europe, the Middle East and Africa) for Invesco Fixed Income (IFI). In this role, he is the senior IFI investor in EMEA with primary responsibility for leading the Global Macro team in London. He is a member of the IFI Investment Strategy team and works closely with the Investment Grade Credit, High Yield and Emerging Markets teams.

Mr. Isaac joined Invesco in January 2017 from Schroders Investment Management. During his five years there, he established his credentials while leading the multi-sector investment team. His remit extended across portfolio management, where he led the multi-currency aggregate and unconstrained investment strategies. His asset management and fixed income experience extends to almost 20 years, with experience in organizations such as Newton, AXA, Société Générale and GLG.

Gareth earned a BSc degree from the University of Glamorgan. He is a Chartered Financial Analyst® (CFA) charterholder and a member of the CFA Society of the UK.
