

Stephen Anness

Fund Manager

Head of Global Equities

Stephen Anness

Stephen Anness is a Fund Manager and Head of Global Equities at Invesco, based in Henley-on-Thames. In this role, he manages the Global Equity Income strategies.

Mr. Anness began his investment career with Invesco in 2002 as a trainee analyst for the Perpetual UK Equities team. He started managing UK equity portfolios in 2004 and took on the management of his first UK fund in 2008. Mr. Anness has been a key part of the idea generation and stock selection process in global equity portfolios since 2009. Prior to managing the Global Equity Income strategies, he was manager of the Global Opportunities strategy.

Mr. Anness earned a BSc degree in economics, the Securities Institute Diploma, and the Investment Management Certificate from the CFA Society of the UK. He also studied corporate finance at the London Business School.
