

Robert CoblePortfolio Manager

Robert "Bob" Coble is a Portfolio Manager for the SteelPath strategies.

Mr. Coble joined Invesco when the firm combined with OppenheimerFunds in 2019. He previously served as a portfolio manager for the SteelPath MLP & Energy Infrastructure strategy and as a senior research analyst on the SteelPath Investment team. Prior to that, he was a senior vice president in the energy investment banking group at Raymond James, where he was employed as an investment banker for seven years helping to structure midstream, upstream, and energy service MLP securities.

Mr. Coble earned a BS degree in accounting from Florida State University, an MBA from the Stern School of Business at New York University, and a JD degree from the University of Florida.
