

Invesco Traditional or Roth IRA Recharacterization Form

Use this form to recharacterize current or prior year IRA contributions (Roth IRA to Traditional IRA or Traditional IRA to Roth IRA) or to reverse a 2017 conversion made into your Roth IRA from a Traditional, SEP, SARSEP or SIMPLE IRA. Conversion contributions will no longer be eligible for recharacterization beginning with 2018 conversions. We recommend that you speak with a tax or financial advisor regarding the consequences of this transaction.

Please use a separate form for each tax year.

For more information, please see the Additional Information section at the end of this form.

Additional Information

- Assets will be recharacterized "in kind". An "in kind" recharacterization is the movement of currently owned Invesco funds without liquidating. You may request an exchange separately.
- To recharacterize a prior year contribution, IIS must receive this form by the tax filing deadline (including extensions; generally Oct. 15th) of the year for which the contribution was made.
- Your recharacterization will be processed at NAV on the day we receive your completed form in good order.
- Any net earnings attributable to the contribution or 2017 conversion will be calculated by IIS and transferred to the recipient account. Earnings will be calculated across all funds within the same account registration.
- You will be responsible for reporting the transaction as a recharacterization on your federal income tax return.
