4 | Loan Repayments Instructions

A. Bank Account Information

- A temporary or starter check is not acceptable.
- A voided check taped below is required to establish bank account information.
- If a voided company or corporate check is provided, then a letter from that financial institution verifying the authorized signers must be included.

Your monthly loan repayment will be made via bank drafts from your bank account. The bank drafts are electronic transfers of funds from your bank to Invesco's bank through the Automated Clearing House (ACH) Network. As soon as your bank has accepted your authorization, the amount of each repayment will be electronically deducted from your bank account on, or about, the twenty-fifth (25th) of each month, starting the month following the issuance of the loan distribution. The bank will process the electronic funds transfer and a debit entry will appear on your bank account statement. Additionally, these bank instructions may also receive redemption proceeds as requested.

By signing this form, both the Trustee and participant agree that if this draft is discontinued and not replaced with another draft or a payment is missed prior to the draft being replaced the loan may be considered in default. The participant will have until the end of the calendar quarter following the quarter in which the loan repayment was due to make the missed repayment(s) (cure period) before IIS will treat the outstanding loan balance (principle plus interest) as a deemed distribution, which will be reported on Form 1099-R.

Signature of Bank Account Owner(s) (Required if different from Invesco Account Registration.)

By signing this form and providing bank instructions, I understand and acknowledge that:

- IIS may accept written instructions to remit redemption proceeds, and IIS may pay and charge my account for ACH drafts paid to the Invesco account.
- This authorization will remain in full force and effect, and IIS may continue to honor instructions to draft this bank account until written notice is provided revoking this authority.

5 | Authorization and Signature of Plan Trustee(s) and Participant (Required)

Plan Trustee Authorization:

By signing below, I acknowledge that it is solely my responsibility, as trustee of the plan, to:

- ensure that the loan terms above comply with the plan's loan policy and applicable law, and
- administer any loan program in accordance with the terms of the applicable plan documents.

I further acknowledge that IIS undertakes no responsibility to advise the plan with regard to the administration of any such loan program.

I submit this request to IIS to issue a loan distribution and set up a loan in the participant's account based upon the information provided above and deduct the loan establishment and maintenance fees described in section 2.

If I am also the Participant, I understand and agree to the terms set forth below.

Participant Authorization:

I authorize IIS to initiate drafts via the ACH Network from the bank account identified in section 4, pursuant to instructions received from the plan's trustee. I understand that all purchases of fund shares pursuant to these instructions are subject to the terms of the prospectus(es) of the applicable Funds. I understand that the amount drafted will be set forth in the instructions so provided and the timing of any such draft will be dependent upon when the instructions are received by IIS. I agree that the rights of IIS with respect to each draft shall be the same as if it were drawn directly by the account owner, as applicable. I agree that, should any draft be dishonored, with or without cause, intentionally or inadvertently, IIS shall have no liability whatsoever with respect to any order for the purchase of Fund shares which were to have been settled via such draft. I further agree that IIS may delay the payment of redemption proceeds with respect to Fund shares purchased via such a draft for period of up to ten (10) days in order to enable IIS to confirm that the draft has cleared. This authorization shall remain in full force and effect and IIS may continue to honor instructions to draft the referenced account until notification revoking this authority is provided. Notice should be provided to Invesco's Client Services at 800 959 4246 or in writing to: IIS, PO Box 219078, Kansas City, MO 64121.

I assume responsibility for all tax consequences resulting from this transaction. IIS assumes no responsibility for tax consequences resulting from this transaction. I understand that if a loan when made satisfies the requirements of Section 72(p) of the Internal Revenue Code, but there is an expressed or tacit understanding that the loan will not be repaid or, for any reason, the transaction does not create a debtor-creditor relationship or is otherwise not a bona fide loan, then the loan is treated as an actual distribution from the outset.

I submit this request to the Trustee to issue a loan distribution and setup a loan in my account based upon the information provided above and deduct the loan establishment and maintenance fees described in section 2.
