3 | Loan Repayment Change Instructions (Complete A and/or B, as applicable.)

Please keep my current bank account information and change the allocation of my loan repayments. (Proceed to section 3B.)

A. Bank Account Information

- A temporary or starter check is not acceptable.
- A voided check taped below is required to establish bank account information.
- If a voided company or corporate check is provided, then a letter from that financial institution verifying the authorized signers must be included.

Your monthly loan repayment will be made via bank drafts from your bank account. The bank drafts are electronic transfers of funds from your bank to Invesco's bank through the Automated Clearing House (ACH) Network. As soon as your bank has accepted your authorization, the amount of each repayment will be electronically deducted from your bank account on or about the date you designated for each month. The bank will process the electronic funds transfer and a debit entry will appear on your bank account statement. Additionally, these bank instructions may also receive redemption proceeds as requested.

By signing this form, both the Trustee and participant agree that if this draft is discontinued and not replaced with another draft or a payment is missed prior to the draft being replaced the loan may be considered in default. The participant will have until the end of the calendar quarter following the quarter in which the loan repayment was due to make the missed repayment(s) (cure period) before IIS will treat the outstanding loan balance (principle plus interest) as a deemed distribution, which will be reported on Form 1099-R.

Signature of Bank Account Owner(s) (Required if different from Invesco Account Registration.)

By signing this form and providing bank instructions, I understand and acknowledge that:

- IIS may accept written instructions to remit redemption proceeds, and IIS may pay and charge my account for ACH drafts paid to the Invesco account.
- This authorization will remain in full force and effect, and IIS may continue to honor instructions to draft this bank account until written notice is provided revoking this authority.
