

Tim Benzel, CFA®**Head of Invesco Managed Accounts Fixed Income**

Tim Benzel, CFA®

Tim Benzel is Head of Invesco Managed Accounts Fixed Income. In this role, he is responsible for the Fixed Income Separately Managed Accounts platform, including tax-free, tax-aware, investment grade government/credit, investment grade taxable, and ESG/impact fixed income strategies.

Mr. Benzel joined Invesco when the company combined with OppenheimerFunds in 2019. He joined OFI Global Asset Management (OFI Global), a subsidiary of OppenheimerFunds, in 2017 from SNW Asset Management when the firm was acquired by OFI Global. At SNW Asset Management, he served in a similar capacity to his current role at Invesco. Prior to SNW, Mr. Benzel was with Neuberger Berman Private Asset Management, where his responsibilities included fixed income credit analysis and trading. He entered the financial industry in 2006.

Mr. Benzel earned a BS degree from Linfield College. He is a Chartered Financial Analyst® (CFA) charterholder and a member of the CFA Society of Seattle.
