for Use With a Designated Financial Institution****Do not file  
with the Internal  
Revenue Service**

\_\_\_\_\_ establishes the following SIMPLE  
Name of Employer  
IRA plan under section 408(p) of the Internal Revenue Code and pursuant to the instructions contained in this form.

**Article I–Employee Eligibility Requirements** *(complete applicable box(es) and blanks–see instructions)*

- 1 General Eligibility Requirements.** The Employer agrees to permit salary reduction contributions to be made in each calendar year to the SIMPLE IRA established by each employee who meets the following requirements (select either 1a or 1b):
- a**  **Full Eligibility.** All employees are eligible.
- b**  **Limited Eligibility.** Eligibility is limited to employees who are described in both (i) and (ii) below:
- (i) **Current compensation.** Employees who are reasonably expected to receive at least \$ \_\_\_\_\_ in compensation (not to exceed \$5,000) for the calendar year.
- (ii) **Prior compensation.** Employees who have received at least \$ \_\_\_\_\_ in compensation (not to exceed \$5,000) during any \_\_\_\_\_ calendar year(s) (insert 0, 1, or 2) preceding the calendar year.
- 2 Excludable Employees.**
- The Employer elects to exclude employees covered under a collective bargaining agreement for which retirement benefits were the subject of good faith bargaining. **Note:** This box is deemed checked if the Employer maintains a qualified plan covering only such employees.

**Article II–Salary Reduction Agreements** *(complete the box and blank, if applicable–see instructions)*

- 1 Salary Reduction Election.** An eligible employee may make an election to have his or her compensation for each pay period reduced. The total amount of the reduction in the employee's compensation for a calendar year cannot exceed the applicable amount for that year.
- 2 Timing of Salary Reduction Elections**
- a** For a calendar year, an eligible employee may make or modify a salary reduction election during the 60-day period immediately preceding January 1 of that year. However, for the year in which the employee becomes eligible to make salary reduction contributions, the period during which the employee may make or modify the election is a 60-day period that includes either the date the employee becomes eligible or the day before.
- b** In addition to the election periods in 2a, eligible employees may make salary reduction elections or modify prior elections \_\_\_\_\_, if \_\_\_\_\_ . If the Employer chooses this option, insert a period or periods (for example, semi-annually, quarterly, monthly, or daily) that will apply uniformly to all eligible employees.
- c** No salary reduction election may apply to compensation that an employee received, or had a right to immediately receive, before execution of the salary reduction election.
- d** An employee may terminate a salary reduction election at any time during the calendar year.  If this box is checked, an employee who terminates a salary reduction election not in accordance with 2b may not resume salary reduction contributions during the calendar year.

**Article III–Contributions** *(complete the blank, if applicable–see instructions)*

- 1 Salary Reduction Contributions.** The amount by which the employee agrees to reduce his or her compensation will be contributed by the Employer to the employee's SIMPLE IRA.
- 2a Matching Contributions**
- (i) For each calendar year, the Employer will contribute a matching contribution to each eligible employee's SIMPLE IRA equal to the employee's salary reduction contributions up to a limit of 3% of the employee's compensation for the calendar year.
- (ii) The Employer may reduce the 3% limit for the calendar year in (i) only if:
- (1) The limit is not reduced below 1%; (2) The limit is not reduced for more than 2 calendar years during the 5-year period ending with the calendar year the reduction is effective; and (3) Each employee is notified of the reduced limit within a reasonable period of time before the employees' 60-day election period for the calendar year (described in Article II, item 2a).
- b Nonelective Contributions**
- (i) For any calendar year, instead of making matching contributions, the Employer may make nonelective contributions equal to 2% of compensation for the calendar year to the SIMPLE IRA of each eligible employee who has at least \$ \_\_\_\_\_, (not more than \$5,000) in compensation for the calendar year. No more than \$250,000\* in compensation can be taken into account in determining the nonelective contribution for each eligible employee.
- (ii) For any calendar year, the Employer may make 2% nonelective contributions instead of matching contributions only if:
- (1) Each eligible employee is notified that a 2% nonelective contribution will be made instead of a matching contribution; and
- (2) This notification is provided within a reasonable period of time before the employees' 60-day election period for the calendar year (described in Article II, item 2a).
- 3 Time and Manner of Contributions**
- a** The Employer will make the salary reduction contributions (described in 1 above) for each eligible employee to the SIMPLE IRA established at the financial institution selected by that employee no later than 30 days after the end of the month in which the money is withheld from the employee's pay. See instructions.
- b** The Employer will make the matching or nonelective contributions (described in 2a and 2b above) for each eligible employee to the SIMPLE IRA established at the financial institution selected by that employee no later than the due date for filing the Employer's tax return, including extensions, for the taxable year that includes the last day of the calendar year for which the contributions are made.

\*This is the amount for 2012. For 2020 this amount is \$285,000. For later years, the limit may be increased for cost-of-living adjustments. The IRS announces the increase, if any, in a news release, in the Internal Revenue Bulletin, and on the IRS's internet website at **IRS.gov**.

**Article IV—Other Requirements and Provisions**

- 1 **Contributions in General.** Prior to December 19, 2015, the Employer will make no contributions to the SIMPLE IRAs other than salary reduction contributions (described in Article III, item 1) and matching or nonelective contributions (described in Article III, items 2a and 2b). Effective December 19, 2015, this SIMPLE Plan will accept rollover contributions as described in section 408(p)(1)(B) of the Code including any subsequent guidance provided by the IRS.
- 2 **Vesting Requirements.** All contributions made under this SIMPLE IRA plan are fully vested and nonforfeitable.
- 3 **No Withdrawal Restrictions.** The Employer may not require the employee to retain any portion of the contributions in his or her SIMPLE IRA or otherwise impose any withdrawal restrictions.
- 4 **Selection of IRA Trustee.** The Employer must permit each eligible employee to select the financial institution that will serve as the trustee, custodian, or issuer of the SIMPLE IRA to which the Employer will make all contributions on behalf of that employee.
- 5 **Amendments To This SIMPLE IRA Plan.** This SIMPLE IRA plan may not be amended except to modify the entries inserted in the blanks or boxes provided in Articles I, II, III, VI, and VII.
- 6 **Effects Of Withdrawals and Rollovers**
  - a An amount withdrawn from the SIMPLE IRA is generally includible in gross income. However, a SIMPLE IRA balance may be rolled over or transferred on a tax-free basis to another IRA designed solely to hold funds under a SIMPLE IRA plan. In addition, an individual may roll over or transfer his or her SIMPLE IRA balance to any IRA or eligible retirement plan after a 2-year period has expired since the individual first participated in any SIMPLE IRA plan of the Employer. Any rollover or transfer must comply with the requirements under section 408.
  - b If an individual withdraws an amount from a SIMPLE IRA during the 2-year period beginning when the individual first participated in any SIMPLE IRA plan of the Employer and the amount is subject to the additional tax on early distributions under section 72(t), this additional tax is increased from 10% to 25%.

**Article V—Definitions**

- 1 **Compensation**
  - a **General Definition of Compensation.** Compensation means the sum of the wages, tips, and other compensation from the Employer subject to federal income tax withholding (as described in section 6051(a)(3)), the amounts paid for domestic service in a private home, local college club, or local chapter of a college fraternity or sorority, and the employee's salary reduction contributions made under this plan, and, if applicable, elective deferrals under a section 401(k) plan, a SARSEP, or a section 403(b) annuity contract and compensation deferred under a section 457 plan required to be reported by the Employer on Form W-2 (as described in section 6051(a)(8)).
  - b **Compensation for Self-Employed Individuals.** For self-employed individuals, compensation means the net earnings from self-employment determined under section 1402(a), without regard to section 1402(c)(6), prior to subtracting any contributions made pursuant to this plan on behalf of the individual.
- 2 **Employee.** Employee means a common-law employee of the Employer. The term employee also includes a self-employed individual and a leased employee described in section 414(n) but does not include a nonresident alien who received no earned income from the Employer that constitutes income from sources within the United States.
- 3 **Eligible Employee.** An eligible employee means an employee who satisfies the conditions in Article I, item 1 and is not excluded under Article I, item 2.
- 4 **SIMPLE IRA.** A SIMPLE IRA is an individual retirement account described in section 408(a), or an individual retirement annuity described in section 408(b), to which the only contributions that can be made are contributions under a SIMPLE IRA plan and rollovers or transfers from another SIMPLE IRA. Effective December 19, 2015, this SIMPLE Plan will accept rollover contributions as described in section 408(p)(1)(B) of the Code including any subsequent guidance provided by the IRS.

**Article VI—Procedures for Withdrawals** *(The Employer will provide each employee with the procedures for withdrawals of contributions received by the financial institution selected by that employee, and that financial institution's name and address (by attaching that information or inserting it in the space below) unless: (1) that financial institution's procedures are unavailable, or (2) that financial institution provides the procedures directly to the employee. See Employee Notification in the instructions.)*

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

Form 5304-SIMPLE is a model Savings Incentive Match Plan for Employees of Small Employers (SIMPLE) plan document that an employer may use to establish a SIMPLE IRA plan described in section 408(p), under which each eligible employee is permitted to select the financial institution for his or her SIMPLE IRA.

These instructions are designed to assist in the establishment and administration of the SIMPLE IRA plan.

They are not intended to supersede any provision in the SIMPLE IRA plan.

Do not file Form 5304-SIMPLE with the IRS. Instead, keep it with your records.

For more information, see Pub. 560, Retirement Plans for Small Business (SEP, SIMPLE, and Qualified Plans), and Pub. 590, Individual Retirement Arrangements (IRAs).

**Note.** If you used the March 2002, August 2005, or September 2008 version of Form 5304-SIMPLE to establish a model Savings Incentive Match Plan, you are not required to use this version of the form.

### Which Employers May Establish and Maintain a SIMPLE IRA Plan?

To establish and maintain a SIMPLE IRA plan, you must meet both of the following requirements:

1. Last calendar year, you had no more than 100 employees (including self-employed individuals) who earned \$5,000 or more in compensation from you during the year. If you have a SIMPLE IRA plan but later exceed this 100-employee limit, you will be treated as meeting the limit for the 2 years following the calendar year in which you last satisfied the limit.

2. You do not maintain during any part of the calendar year another qualified plan with respect to which contributions are made, or benefits are accrued, for service in the calendar year. For this purpose, a qualified plan (defined in section 219(g)(5)) includes a qualified pension plan, a profit-sharing plan, a stock bonus plan, a qualified annuity plan, a tax-sheltered annuity plan, and a simplified employee pension (SEP) plan. A qualified plan that only covers employees covered under a collective bargaining agreement for which retirement benefits were the subject of good faith bargaining is disregarded if these employees are excluded from

participating in the SIMPLE IRA plan. If the failure to continue to satisfy the 100-employee limit or the one-plan rule described in 1 and 2 above is due to an acquisition or similar transaction involving your business, special rules apply. Consult your tax advisor to find out if you can still maintain the plan after the transaction.

Certain related employers (trades or businesses under common control) must be treated as a single employer for purposes of the SIMPLE IRA requirements. These are: (1) a controlled group of corporations under section 414(b); (2) a partnership or sole proprietorship under common control under section 414(c); or (3) an affiliated service group under section 414(m). In addition, if you have leased employees required to be treated as your own employees under the rules of section 414(n), then you must count all such leased employees for the requirements listed above.

### What Is a SIMPLE IRA Plan?

A SIMPLE IRA plan is a written arrangement that provides you and your employees with an easy way to make contributions to provide retirement income for your employees. Under a SIMPLE IRA plan, employees may choose whether to make salary reduction contributions to the SIMPLE IRA plan rather than receiving these amounts as part of their regular compensation. In addition, you will contribute matching or nonelective contributions on behalf of eligible employees (see *Employee Eligibility Requirements* below and *Contributions* later). All contributions under this plan will be deposited into a SIMPLE individual retirement account or annuity established for each eligible employee with the financial institution selected by him or her.

### When To Use Form 5304-SIMPLE

A SIMPLE IRA plan may be established by using this Model Form or any other document that satisfies the statutory requirements.

Do not use Form 5304-SIMPLE if:

1. You want to require that all SIMPLE IRA plan contributions initially go to a financial institution designated by you. That is, you do not want to permit each of your eligible employees to choose a financial institution that will initially receive contributions. Instead, use Form 5305-SIMPLE, Savings Incentive Match Plan for Employees of Small Employers (SIMPLE)—for Use With a Designated Financial Institution;

2. You want employees who are nonresident aliens receiving no earned income from you that is income from sources within the United States to be eligible under this plan; or

3. You want to establish a SIMPLE 401(k) plan.

### Completing Form 5304-SIMPLE

Pages 1 and 2 of Form 5304-SIMPLE contain the operative provisions of your SIMPLE IRA plan. This SIMPLE IRA plan is considered adopted when you have completed all applicable boxes and blanks and it has been executed by you.

The SIMPLE IRA plan is a legal document with important tax consequences for you and your employees. You may want to consult with your attorney or tax advisor before adopting this plan.

### Employee Eligibility Requirements (Article I)

Each year for which this SIMPLE IRA plan is effective, you must permit salary reduction contributions to be made by all of your employees who are reasonably expected to receive at least \$5,000 in compensation from you during the year, and who received at least \$5,000 in compensation from you in any 2 preceding years. However, you can expand the group of employees who are eligible to participate in the SIMPLE IRA plan by completing the options provided in Article I, items 1a and 1b. To choose full eligibility, check the box in Article I, item 1a. Alternatively, to choose limited eligibility, check the box in Article I, item 1b, and then insert "\$5,000" or a lower compensation amount (including zero) and "2" or a lower number of years of service in the blanks in (i) and (ii) of Article I, item 1b.

In addition, you can exclude from participation those employees covered under a collective bargaining agreement for which retirement benefits were the subject of good faith bargaining. You may do this by checking the box in Article I, item 2. Under certain circumstances, these employees must be excluded. See *Which Employers May Establish and Maintain a SIMPLE IRA Plan?* above.

### Salary Reduction Agreements (Article II)

As indicated in Article II, item 1, a salary reduction agreement permits an eligible employee to make a salary reduction election to have his or her compensation for each pay period reduced by a percentage (expressed as a percentage or dollar amount). The total amount of

the reduction in the employee's compensation cannot exceed the applicable amount for any calendar year. The applicable amount is \$13,500 for 2020. After 2020, the \$13,500 amount may be increased for cost of living adjustments. In the case of an eligible employee who is 50 or older by the end of the calendar year, the above limitation is increased by \$3,000 for 2020. After 2020, the \$3,000 amount may be increased for cost-of-living adjustments.

### Timing of Salary Reduction Elections

For any calendar year, an eligible employee may make or modify a salary reduction election during the 60-day period immediately preceding January 1 of that year. However, for the year in which the employee becomes eligible to make salary reduction contributions, the period during which the employee may make or modify the election is a 60-day period that includes either the date the employee becomes eligible or the day before.

You can extend the 60-day election periods to provide additional opportunities for eligible employees to make or modify salary reduction elections using the blank in Article II, item 2b. For example, you can provide that eligible employees may make new salary reduction elections or modify prior elections for any calendar quarter during the 30 days before that quarter.

You may use the *Model Salary Reduction Agreement* on page 3 to enable eligible employees to make or modify salary reduction elections.

Employees must be permitted to terminate their salary reduction elections at any time. They may resume salary reduction contributions for the year if permitted under Article II, item 2b. However, by checking the box in Article II, item 2d, you may prohibit an employee who terminates a salary reduction election outside the normal election cycle from resuming salary reduction contributions during the remainder of the calendar year.

### Contributions (Article III)

Only contributions described below may be made to this SIMPLE IRA plan. No additional contributions may be made.

#### Salary Reduction Contributions

As indicated in Article III, item 1, salary reduction contributions consist of the amount by which the employee agrees to reduce his or her compensation. You must contribute the salary reduction contributions to the financial institution selected by each eligible employee.

#### Matching Contributions

In general, you must contribute a matching contribution to each eligible employee's SIMPLE IRA equal to the employee's salary reduction contributions. This matching contribution cannot exceed 3% of the employee's compensation. See *Definition of Compensation*, below.

You may reduce this 3% limit to a lower percentage, but not lower than 1%. You cannot lower the 3% limit for more than 2 calendar years out of the 5-year period ending with the calendar year the reduction is effective.

**Note.** If any year in the 5-year period described above is a year before you first established any SIMPLE IRA plan, you will be treated as making a 3% matching contribution for that year for purposes of determining when you may reduce the employer matching contribution.

To elect this option, you must notify the employees of the reduced limit within a reasonable period of time before the applicable 60-day election periods for the year. See *Timing of Salary Reduction Elections* above.

#### Nonelective Contributions

Instead of making a matching contribution, you may, for any year, make a nonelective contribution equal to 2% of compensation for each eligible employee who has at least \$5,000 in compensation for the year. Nonelective contributions may not be based on more than \$285,000 of compensation.

To elect to make nonelective contributions, you must notify employees within a reasonable period of time before the applicable 60-day election periods for such year. See *Timing of Salary Reduction Elections* above.

**Note.** Insert "\$5,000" in Article III, item 2b(i) to impose the \$5,000 compensation requirement. You may expand the group of employees who are eligible for nonelective contributions by inserting a compensation amount lower than \$5,000.

#### Rollover Contributions

Effective December 19, 2015, this SIMPLE IRA Plan will accept rollover contributions from qualified plans under section 401(a); qualified annuities under 403(a); tax-sheltered annuities and custodial accounts under 403(b); governmental plans under section 457(b); and from traditional IRAs. Such rollovers are permitted after the SIMPLE IRA has been in existence for 2 years measured from the date of the initial contribution to the account.

### Effective Date (Article VII)

Insert in Article VII the date you want the provisions of the SIMPLE IRA plan to become effective. You must insert January 1 of the applicable year unless this is the first year for which you are adopting any SIMPLE IRA plan. If this is the first year for which you are adopting a SIMPLE IRA plan, you may insert any date between January 1 and October 1, inclusive of the applicable year.

### Additional Information

#### Timing of Salary Reduction Contributions

The employer must make the salary reduction contributions to the financial institution selected by each eligible employee for his or her SIMPLE IRA no later than the 30th day of the month following the month in which the amounts would otherwise have been payable to the employee in cash.

The Department of Labor has indicated that most SIMPLE IRA plans are also subject to Title I of the Employee Retirement Income Security Act of 1974 (ERISA). Under Department of Labor regulations at 29 CFR 2510.3-102, salary reduction contributions must be made to each participant's SIMPLE IRA as of the earliest date on which those contributions can reasonably be segregated from the employer's general assets, but in no event later than the 30-day deadline described previously.

#### Definition of Compensation

"Compensation" means the amount described in section 6051(a)(3) (wages, tips, and other compensation from the employer subject to federal income tax withholding under section 3401(a)), and amounts paid for domestic service in a private home, local college club, or local chapter of a college fraternity or sorority. Usually, this is the amount shown in box 1 of Form W-2, Wage and Tax Statement. For further information, see Pub. 15, (Circular E), Employer's Tax Guide. Compensation also includes the salary reduction contributions made under this plan, and, if applicable, compensation deferred under a section 457 plan. In determining an employee's compensation for prior years, the employee's elective deferrals under a section 401(k) plan, a SARSEP, or a section 403(b) annuity contract are also included in the employee's compensation.

For self-employed individuals, compensation means the net earnings from self-employment determined under section 1402(a), without regard to section 1402(c)(6), prior to subtracting any contributions made pursuant to this SIMPLE IRA plan on behalf of the individual.

**Employee Notification**

You must notify each eligible employee prior to the employee’s 60-day election period described above that he or she can make or change salary reduction elections and select the financial institution that will serve as the trustee, custodian, or issuer of the employee’s SIMPLE IRA. In this notification, you must indicate whether you will provide:

- 1. A matching contribution equal to your employees’ salary reduction contributions up to a limit of 3% of their compensation;
- 2. A matching contribution equal to your employees’ salary reduction contributions subject to a percentage limit that is between 1 and 3% of their compensation; or
- 3. A nonelective contribution equal to 2% of your employees’ compensation.

You can use the *Model Notification to Eligible Employees* earlier to satisfy these employee notification requirements for this SIMPLE IRA plan. A *Summary Description* must also be provided to eligible employees at this time. This summary description requirement may be satisfied by providing a completed copy of pages 1 and 2 of Form 5304-SIMPLE (including the information described in *Article VI—Procedures for Withdrawals*).

If you fail to provide the employee notification (including the summary description) described above, you will be liable for a penalty of \$50 per day until the notification is provided. If you can show that the failure was due to reasonable cause, the penalty will not be imposed.

If the financial institution’s name, address, or withdrawal procedures are not available at the time the employee must be given the summary description, you must provide the summary description without this information. In that case, you will have reasonable cause for not including this information in the summary description, but only if you ensure that it is provided to the employee as soon as administratively feasible.

**Reporting Requirements**

You are not required to file any annual information returns for your SIMPLE IRA plan, such as Form 5500, Annual Return/Report of Employee Benefit Plan, or Form 5500-EZ, Annual Return of One-Participant (Owners and Their Spouses) Retirement Plan. However, you must report to the IRS which eligible employees are active participants in the SIMPLE IRA plan and the amount of your employees’ salary reduction contributions to the SIMPLE IRA plan on Form W-2. These contributions are subject to social security, Medicare, railroad retirement, and federal unemployment tax.

**Deducting Contributions**

Contributions to this SIMPLE IRA plan are deductible in your tax year containing the end of the calendar year for which the contributions are made.

Contributions will be treated as made for a particular tax year if they are made for that year and are made by the due date (including extensions) of your income tax return for that year.

**Summary Description**

Each year the SIMPLE IRA plan is in effect, the financial institution for the SIMPLE IRA of each eligible employee must provide the employer the information described in section 408(l)(2)(B). This requirement may be satisfied by providing the employer a current copy of Form 5304-SIMPLE (including instructions) together with the financial institution’s procedures for withdrawals from SIMPLE IRAs established at that financial institution, including the financial institution’s name and address. The summary description must be received by the employer in sufficient time to comply with the *Employee Notification* requirements earlier.

There is a penalty of \$50 per day imposed on the financial institution for each failure to provide the summary description described above. However, if the failure was due to reasonable cause, the penalty will not be imposed.

**Paperwork Reduction Act Notice.** You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by section 6103.

The time needed to complete this form will vary depending on individual circumstances. The estimated average time is:

**Recordkeeping** . . . . . 3 hr., 38 min.

**Learning about the law or the form** . . . . . 2 hr., 26 min.

## 5 | General Information

The following information explains what a Savings Incentive Match Plan for Employees ("SIMPLE") Plan is, how contributions are made, and how to treat these contributions for tax purposes. For more specific information, refer to the SIMPLE Retirement Plan document itself, the completed Adoption Agreement and the accompanying disclosure information.

For a calendar year, you may make or modify a salary reduction election during the 60-day period immediately preceding January 1 of that year. However, for the year in which you first become eligible to make salary reduction contributions, the period during which you may make or modify the election is a 60-day period that includes either the date you become eligible or the day before. If indicated on the Adoption Agreement, you may have additional opportunities during a calendar year to make or modify your salary reduction election. Consult with your tax advisor prior to making any elections related to your SIMPLE IRA plan account.

**SIMPLE Retirement Plan and SIMPLE IRA Defined:** A SIMPLE Retirement Plan is a retirement income arrangement established by your employer. Under this SIMPLE Plan, you may choose to defer compensation to your own SIMPLE Individual Retirement Account or Annuity ("SIMPLE IRA"). You may base these "elective deferrals" on a salary reduction basis that, at your election, may be contributed to a SIMPLE IRA or received in cash. This type of plan is available only to an employer with 100 or fewer employees who earned at least \$5,000 during the prior calendar year.

A SIMPLE IRA is a separate IRA plan that you establish with an eligible financial institution for the purpose of receiving contributions under this SIMPLE Retirement Plan. Your employer must provide you with a copy of the SIMPLE agreement containing eligibility requirements and a description of the basis upon which contributions may be made. All amounts contributed to your SIMPLE IRA belong to you, even after you quit working for your employer.

**Elective Deferrals - Not Required:** You are not required to make elective deferrals under this SIMPLE Retirement Plan. However, if the employer is matching your elective deferrals, no employer contribution will be made on your behalf unless you elect to defer under the plan.

**Elective Deferrals - Annual Limitation:** The maximum amount that you may defer under this SIMPLE Plan for any calendar year is limited to the lesser of the percentage of your compensation indicated in the Deferral Form or the maximum deferral limit permitted under law, subject to cost-of-living adjustments.

**Allowance of Catch-Up Contributions:** All Employees who are eligible to make elective deferrals under this Plan and who have attained age 50 before the close of the Plan Year shall be eligible to make catch-up contributions for 2025 up to \$3,500, (subject to cost of living adjustments.)

**Tax Treatment of Elective Deferrals:** The amount that you may elect to contribute to your SIMPLE IRA is excludible from gross income, subject to the limitations discussed above, and is not includible as taxable wages on Form W-2. However, these amounts are subject to FICA and FUTA taxes.

If you work for other employers (unrelated to this employer) who also maintain a salary deferral plan, there is an overall limit on the maximum amount that you may defer in each calendar year to all elective SEPs, cash or deferred arrangements under section 401(k) of the Code, other SIMPLE plans and 403(b) plans regardless of how many employers you may have worked for during the year.

This limitation is referred to as the §402(g) limit. The section 402(g) limit on elective deferrals is currently \$23,500, subject to cost-of-living adjustments.

When "excess elective deferrals" (i.e., amounts in excess of the SIMPLE elective deferral limit or the section 402(g) limit) are made, you are responsible for calculating whether you have exceeded these limits in the calendar year. Excess elective deferrals are includible in your gross income in the calendar year of deferral. Income on the excess elective deferrals is includible in your income in the year of withdrawal from the SIMPLE IRA. You should withdraw excess elective deferrals and any allocable income, from your SIMPLE IRA by April 15 following the year to which the deferrals relate. These amounts may not be transferred or rolled over tax-free to another SIMPLE IRA. The trustee or custodian of your SIMPLE IRA can inform you of the income allocable to such excess amounts.

**SIMPLE IRA Distributions:** You may withdraw from your SIMPLE IRA at any time. However, any distributions will be includible in your gross income and may also be subject to a 25% additional income tax or a 10% additional income tax depending upon how long you have participated in the SIMPLE Plan. For more information, refer to the SIMPLE IRA disclosure statement which was provided to you when you established your SIMPLE IRA.

**Rollover or Transfer to another IRA:** You may not roll over or transfer from your SIMPLE IRA any SIMPLE contributions (or income on these contributions) made during the plan year to another IRA (other than a SIMPLE IRA) until the 2 years following the date you first participated in the SIMPLE plan. You may, however, remove excess elective deferrals and income allocable to such excess amounts from your SIMPLE IRA before this time, but you may not roll over or transfer these amounts to another IRA.

**DO NOT SEND TO INVESCO – FOR COMPANY USE ONLY**

After the restriction described above no longer applies, you may withdraw, or receive, funds from your SIMPLE IRA, and no more than 60 days later, place such funds in another IRA or SIMPLE IRA. This is called a "rollover" and may not be done more frequently than at 12-month intervals. However, there are no restrictions on the number of times that you may make "transfers" if you arrange to have such funds transferred between the trustees so that you never have possession of the funds. You may not, however, roll over or transfer excess elective deferrals and income allocable to such excess amounts from your SIMPLE IRA to another IRA. These excess amounts generally may be reduced only by a distribution to you.

Effective December 19, 2015, this SIMPLE Plan will accept rollover contributions from qualified plans under section 401(a); qualified annuities under 403(a); tax-sheltered annuities and custodial accounts under 403(b); governmental plans under section 457(b); and from traditional IRAs. Such rollovers are permitted after the SIMPLE IRA has been in existence for 2 years measured from the date of the initial contribution to the account.

**Procedures for Withdrawals:** Employees who wish to withdraw from their SIMPLE IRA accounts held at Invesco may do so by calling Invesco at 800 959 4246 OR by sending the appropriate completed and signed Invesco IRA Distribution Form (available at [invesco.com](http://invesco.com)) to: Invesco Investment Services, Inc. P.O. Box 219078 Kansas City, MO 64121-9078.

**Conversions to a Roth IRA:** After the 2-year restriction described above no longer applies, you may convert your SIMPLE IRA to a Roth IRA. Such conversion is taxable to you but is not subject to the 10% additional income tax if you are under age 59½.

**Cost of Living Adjustments (COLAS):** COLAs are announced by the IRS during the last calendar quarter of a calendar year relating to the following calendar year.

**RPM User Authorization:**

I authorize and direct IIS to grant the individuals identified in section 3 access to the Plan's accounts via RPM. I understand that an RPM user name will permit an individual to access plan and participant information, submit and modify census data, submit contributions via the internet, modify future investment elections and generate reports. Therefore, RPM access should only be granted to financial advisors if they are functioning as the TPA.

**ACH Authorization:**

On behalf of the Plan, I authorize IIS to initiate drafts via the ACH Network from the bank account identified in this application, pursuant to instructions received from the Plan's administrator, sponsor, trustee, or an appropriate officer and certify that the individual(s) in this capacity have the authority to provide such instructions. I understand that all purchases of fund shares pursuant to these instructions are subject to the terms of the prospectus(es) of the applicable Funds. I understand that the amount drafted for the Plan's contribution funding will be set forth in the instructions so provided and the timing of any such draft will be dependent upon when the instructions are received by IIS. I agree that the rights of IIS with respect to each draft shall be the same as if it were drawn directly by the account owner or company, as applicable. I agree that, should any draft be dishonored, with or without cause, intentionally or inadvertently, IIS shall have no liability whatsoever with respect to any order for the purchase of Fund shares which was to have been settled via such draft. I further agree that IIS may delay the payment of redemption proceeds with respect to Fund shares purchased via such a draft for a period of up to ten (10) days in order to enable IIS to confirm that the draft has cleared. This authorization shall remain in full force and effect and IIS may continue to honor instructions to draft the referenced account until notification revoking this authority is provided at least seven business days prior to a scheduled draft. Notice should be provided to Invesco's Client Services at 800 959 4246 or in writing to: IIS, PO Box 219078, Kansas City, MO 64121-9078.
