Additional Information

- A transfer "in kind" is the transfer of currently owned Invesco Fund(s) from one custodian to IIS without liquidating. This option is available if you currently own Invesco Fund(s) at the resigning trustee/custodian. **Special note for R shares:** R shares may not be rolled "in kind" to an IRA. If you are requesting a rollover from a qualified plan that currently holds R shares, they will be exchanged into A shares of the same fund at net asset value.
- When transferring CD's a maturity date is required. The request must be received by IIS 30 days prior to maturity date. Transfer "in kind" is not available for CD's.
- Payments or a series of payments over life expectancy(ies) or over a period of 10 years or more are not eligible for rollover.
- RMD, hardship distributions, an unforeseeable emergency distribution, corrective distributions, or deemed distributions of a defaulted loan are not eligible for rollover.
- SIMPLE IRAs aged less than two years are not eligible to transfer or rollover to another plan type. The only option for a SIMPLE IRA less than two years is to transfer to another SIMPLE IRA.

Note for Indirect Rollovers *(60 day rollovers):*

- Rollover contribution must be made into the IRA within 60 days of receipt of the distribution from the resigning trustee/custodian.
- The IRS restricts rollovers between IRAs to once every 12 consecutive months, regardless of the number of IRAs owned.
