Additional Information**eDelivery Consent**

Sign up to receive notice by email that shareholder and fund information is available online. By providing an email address you consent to receiving electronic documents and notices rather than receiving paper documents by US mail. Electronic documents and other communications may be delivered by email or an email message containing a link to an internet address or website where the document is posted and from which it can be read or printed. Documents delivered electronically include, but are not limited to, summary prospectuses, prospectus supplements, annual and semi-annual shareholder reports, proxy materials, account statements, transaction confirmations, privacy notices, and other notices and documentation in electronic format when available. By providing your email address, you also consent to receive any additional documents capable of electronic delivery in the future.

To receive email alerts, your computer must be capable of reading PDF files. If you have an application installed that enables you to view PDF documents, you may proceed with eDelivery. If you do not, download Adobe® Reader®. You should also refer to Adobe® Reader® for system requirements necessary to access these documents. If you are unable to download Adobe® Reader® or view PDF documents, do not sign up for eDelivery.

Important Information Regarding Electronic Delivery

You, or if you act on behalf of an entity, the Trustees/Authorized Signers confirm that the authorized persons have internet access, access to Adobe® Reader® and an active email account to receive information electronically.

While Invesco does not charge you for electronic delivery, your internet provider may charge you for internet access. Also, please be aware that your internet service provider may occasionally experience system failures in which case hyperlinks to documents may not function properly.

If any electronic message is returned to us, we will resume sending you documents by US mail and request that you send us an updated email address.

If you use spam-blocking software, please update your settings to receive email from us.

Once you consent to receipt of documents by electronic delivery, you will need to notify us in writing or modify your preferences in your online profile of any intent to revoke your consent to receive documents by electronic delivery.

This consent will remain in effect until revoked. The authorized persons may revoke this consent and/or request paper copies of documents delivered electronically at no additional charge. Please contact an Invesco Client Services representative at 800 959 4246, weekdays, 7 a.m. to 6 p.m. Central Time if you wish to revoke your consent or otherwise wish to receive a paper copy of any documents referenced in this consent.

Depending on when you request eDelivery of statements, you may receive your next statement via US mail. You will receive email notification for all subsequent statements. If other shareholders in your household do not sign up for eDelivery, you may continue to receive these materials via US mail. You may update your email address, change your eDelivery selections, or cancel this service at any time by visiting our website or calling Invesco.

Important Notice Regarding Delivery of Security Holder Documents

To reduce Fund expenses, only one copy of most shareholder documents may be mailed to shareholders with multiple accounts at the same address (Householding). Mailing of your shareholder documents may be househanded indefinitely unless you instruct us otherwise. If you do not want the mailing of these documents to be combined with those for other members of your household, please contact Invesco or your financial advisor. We will begin sending you individual copies for each account within 30 days after receiving your request.

Unclaimed Property Notice

Please note that your property may be transferred to the appropriate state's unclaimed property administrator if no activity occurs in the account within the time period specified by state law.
