Erik Esselink

Erik Esselink is a Portfolio Manager for the Global Core Equity team and the Henley Investment Centre at Invesco. Based in London, in this role, he manages international core equity for the Global Core Equity group based in Atlanta, as well as the Global Small Cap and European Small Cap strategies for the Henley Investment Centre.

Mr. Esselink joined Invesco in 2007. Prior to joining the firm, he was an institutional Pan-European equities specialist with Morgan Stanley. He began his career in 1997 with ING Barings in Amsterdam as a member of the institutional equity team for three years, specializing in Dutch equities.

Mr. Esselink earned a degree from the Rotterdam School of Economics (HES), where he studied commercial economics. He is fluent in English and Dutch, with a working knowledge of French and German.
