I authorize and direct IIS to grant or terminate the individuals identified in section 2 or 3, respectively, access to the employee's accounts via ICM. I understand that granting each individual access to ICM gives them the ability to view employer and employee information, submit contributions online and change investment allocations for contributions for employee accounts maintained by IIS for the employer.

I understand that all purchases of fund shares pursuant to these instructions are subject to the terms of the prospectus(es) of the applicable funds. I understand that the amount drafted for contribution funding will be set forth in the instructions so provided and the timing of any such draft will be dependent upon when the instructions are received by IIS. I agree that the rights of IIS with respect to each draft shall be the same as if it were drawn directly by the account owner or company, as applicable. I agree that, should any draft be dishonored, with or without cause, intentionally or inadvertently, IIS shall have no liability whatsoever with respect to any order for the purchase of fund shares which was to have been settled via such draft. I further agree that IIS may delay the payment of redemption proceeds with respect to fund shares purchased via such a draft for a period of up to ten (10) days in order to enable IIS to confirm that the draft has cleared.
