

## DISTRIBUTION INFORMATION

## Correction notice

Shareholders were sent a notice from the Fund that set forth an estimate on a per share basis of the source or sources from which the distribution was paid in November of 2024. Subsequent to the release of the initial notices, some estimates have been corrected. Listed below is a written statement of the sources of this distribution, as corrected, on a generally accepted accounting principles (“GAAP”) basis.

Distribution Payment Date	Ticker	CUSIP	Fund Name	Net Income	Gain From Sale of Securities	Return of Principal	Total Distribution
11/22/2024	KBWY	46138E594	Invesco KBW Premium Yield Equity REIT ETF	\$0.12637	\$0.00000	\$0.00000	\$0.12637

Please note that the information in the preceding chart is for financial accounting purposes only. Shareholders should be aware that the tax treatment of distributions likely differs from GAAP treatment. Form 1099-DIV for the calendar year will report distributions for US federal income tax purposes. This Notice is sent to comply with certain US Securities and Exchange Commission requirements.

There are risks involved with investing in ETFs, including possible loss of money. Index-based ETFs are not actively managed. Actively managed ETFs do not necessarily seek to replicate the performance of a specified index. Both index-based and actively managed ETFs are subject to risks similar to stocks, including those related to short selling and margin maintenance. Ordinary brokerage commissions apply. The Funds are subject to certain other risks. Please see the current prospectus for more information regarding the risk associated with an investment in the Funds.
