Duy Nguyen, CFA®, CAIA

Duy Nguyen is Chief Investment Officer and Senior Portfolio Manager for the Invesco Investment Solutions team, which provides customized, multi-asset investment strategies for institutional and retail clients. In this role, he is responsible for the overall strategy and direction of the team's investment process. This involves guiding the research agenda, overseeing all portfolio implementation quality, and communicating the investment process to internal and external teams. Mr. Nguyen also oversees the team's client solutions development efforts, using the team's collective experience in asset allocation, portfolio construction, and research and analytics with the goal of cultivating advisory relationships and building custom solutions that are outcome-oriented and investor-focused.

Mr. Nguyen joined Invesco in 2000. Prior to joining the firm, he served as assistant vice president and quantitative equity analyst for Van Kampen American Capital, as well as vice president and director of quantitative services of FactSet Research Systems, Inc.

Mr. Nguyen earned a BBA degree from the University of Texas at Austin, an MS in applied economics from Johns Hopkins University, and an MS in finance from the University of Houston. He is a Chartered Financial Analyst® (CFA) charterholder and Chartered Alternative Investment Analyst (CAIA) professional. He regularly lectures for the graduate program at the University of Houston and is part of the Cougar Fund Advisory Committee.
