Head of Stable Value Portfolio Management

Jennifer Gilmore, CFA[®]

Jennifer Gilmore is Head of Stable Value Portfolio Management for Invesco Fixed Income. Her team is responsible for developing Invesco's stable value portfolio strategy, ensuring this strategy is consistently applied across the firm's portfolios, implementing the external subadviser program, and managing accounts to reflect each portfolio's unique liquidity needs and objectives.

Ms. Gilmore joined Invesco Fixed Income in 1999. Prior to her current role, she was a senior stable value portfolio manager. She has also worked as an account manager, serving as a liaison between Invesco and its clients by preparing portfolio reviews, monitoring investment activity for guideline compliance, and overseeing fund valuation and reconciliation. Ms. Gilmore began her investment career in 1998 as a business development associate with Central Florida Innovation Corp.

Ms. Gilmore earned a BA degree in finance from Transylvania University and an MBA from Rollins College. She is a Chartered Financial Analyst[®] (CFA) charterholder and a member of the Invesco Women's Network management committee.
