

Biography

Richard Batty, PhD

Fund Manager

Richard Batty, PhD

Richard Batty joined Invesco in 2013 as a Fund Manager for the Multi Asset team.

Mr. Batty previously worked at Standard Life Investments since 2003, where he was the global investment strategist for the strategy team, which is now part of Standard Life's multi-asset investing team. While there, he gained additional responsibilities for the company's global tactical asset allocation in 2012. Mr. Batty began his investment career at James Capel/HSBC as an equity strategist in 1995, and became a senior member of the company's industry-renowned economics and strategy group.

In 1994, Mr. Batty earned a PhD in financial economics from Brunel University, where he was a part-time research assistant and taught both graduate and undergraduate students.
