

Andrey Belov, PhDPortfolio Manager

Andrey Belov, PhD

Andrey Belov is a Portfolio Manager for the Global Equities team at Invesco. In this role, he is focused on international small- and mid-company strategies.

Mr. Belov joined Invesco in 2020. Prior to joining the firm, he was a research analyst at Lord Abbett for an international small-mid cap strategy. Before that, he spent nearly 10 years at Cramer Rosenthal McGlynn as a co-portfolio manager and senior research analyst on an international equity strategy. Prior to that, Mr. Belov was a senior research analyst responsible for global technology and industrial supply chain sectors at Bernstein. He started his career in management consulting at McKinsey & Company in 1997.

Mr. Belov earned an MS with honors in applied mathematics and physics from the Moscow Institute of Physics and Technology and a PhD in mechanical & aerospace engineering from Princeton University.
