Senior Portfolio Manager
Head of Manager Selection

Jeff Bennett, CFA®

Jeff Bennett is a Senior Portfolio Manager, Head of Manager Selection, and Interim Co-Head of Asset Allocation for the Invesco Solutions and Custom Strategies team, which develops and manages asset allocation strategies and comprehensive portfolio solutions across institutional and private client channels. In this role, he leads or co-leads portfolio management responsibilities, including portfolio construction, asset allocation, and manager selection for public and private market multi-asset strategies across the platform. These strategies leverage a combination of fundamental and systematic approaches, span both public and private markets, and incorporate both proprietary and external capabilities to deliver precise, tailored outcomes that meet unique investor needs.

Mr. Bennett joined Invesco when the firm combined with OppenheimerFunds in 2019. Prior to joining the firm, he was a senior portfolio manager and manager due diligence specialist in the OppenheimerFunds Global Multi-Asset Group (GMAG). Before joining OppenheimerFunds in 2016, he was with Alliance Bernstein as a managing director on the alternative investment management team, focusing on asset allocation and portfolio construction, as well as manager identification and due diligence. He was also director of research for Fischer & Co. Prior to that, he was the primary analyst at Summit Private Investments, a fund of hedge funds that focuses on long/short and event-driven strategies.

Mr. Bennett earned a BS degree in chemical engineering from the University of California, Los Angeles and an MBA in analytic finance and econometrics from the University of Chicago. He is a Chartered Financial Analyst® (CFA) charterholder.
