Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.
Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for
the action The above-named issuer was completely liquidated on December 1, 2023, wherein all of the
shares of the Fund were redeemed in exchange for liquidating distribution(s) pursuant to a plan of liquidation
and termination.
15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per
share or as a percentage of old basis > As a result of the above-described organizational action, e
shareholder generally will recognize gain or loss on the disposition of the shares being
redeemed. The shareholder's gain or loss will generally be measured as the difference
between gross proceeds received in the liquidating distributions and the tax basis in
these shares. After the transaction and the recognition event, the shareholder will no
longer own any shares or have any tax basis in these shares. Gain or loss realized on
shares may be treated as a taxable event. Shareholders should contact their tax advisor
regarding the specific circumstances surrounding their shares subject to this
organizational action.
16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the
