Ms. Cavazos has over 20 years of investment experience. Prior to joining Invesco, she was a Managing Director and Portfolio Manager at Boston Walden Trust for the firm's small- and mid-cap strategies while also having research analyst responsibilities across market capitalizations. In addition to her portfolio management responsibilities, Ms. Cavazos will be a generalist analyst supporting all products managed by the Main Street Team.

Will the addition of a Co-Lead Portfolio Manager lead to any changes on the impacted portfolios?

No, Invesco Oppenheimer Rising Dividends Fund, Invesco Oppenheimer Main Street Mid Cap Fund, Invesco Mid Cap Core Equity Fund, and Invesco V.I. Mid Cap Core Equity Fund will continue to be managed with the same mandate, philosophy, and process. Furthermore, this will have no impact on the management of any other products managed by the Main Street team.
