Risk and other Important Information:

**NOT FDIC INSURED | MAY LOSE VALUE | NO BANK GUARANTEE**

The DB Funds are not suitable for all investors due to the speculative nature of an investment based upon the Funds' trading which takes place in very volatile markets. Because an investment in futures contracts is volatile, such frequency in the movement in market prices of the underlying future contracts could cause large losses. See the Prospectus for risk disclosures.

Commodities and futures generally are volatile and are not suitable for all investors.

The value of the Shares of the Funds relate directly to the value of the futures contracts and other assets held by the Funds and any fluctuation in the value of these assets could adversely affect an investment in the Funds' Shares.

Please review the prospectus for break-even figures for the Funds. The DB Funds are speculative and involve a high degree of risk. An investor may lose all or substantially all of an investment in the Funds.

The DB Funds are not mutual funds or any other type of Investment Company within the meaning of the Investment Company Act of 1940, as amended, and is not subject to regulation thereunder.

### **Important Information**

There are risks involved with investing in ETFs, including possible loss of money. Index-based ETFs are not actively managed. Actively managed ETFs do not necessarily seek to replicate the performance of a specified index. Both index-based and actively managed ETFs are subject to risks similar to stocks, including those related to short selling and margin maintenance. Ordinary brokerage commissions apply. The Fund's return may not match the return of the Index. The Funds are subject to certain other risks. Please see the current prospectus for more information regarding the risk associated with an investment in the Funds.

Shares are not individually redeemable and owners of the Shares may acquire those Shares from the Fund and tender those Shares for redemption to the Fund in Creation Unit aggregations only, typically consisting of 10,000, 20,000, 25,000, 50,000, 75,000, 80,000, 100,000, 150,000 or 200,000 Shares.

This does not constitute a recommendation of any investment strategy or product for a particular investor. Investors should consult a financial professional before making any investment decisions.
