
Gwilym Satchell, PRM™

Fund Manager

Gwilym Satchell, PRM™

Gwilym Satchell is a Fund Manager for the Multi Asset team at Invesco. In this role, he is responsible for comanaging a range of multi asset targeted returns funds.

Mr. Satchell joined Invesco in 2013 as a risk manager for the Multi Asset team prior to being promoted to his current role. He commenced his career in 2008 at Standard Life Investments, where he was involved in multi-asset investing risk management, including the development of scenario analysis techniques. In addition, he was responsible for managing a range of liability-driven investment funds.

Mr. Satchell earned a bachelor's degree in computer science from Warwick University and a master's degree from the University of Edinburgh Business School. He holds the Professional Risk Manager (PRM) designation.
