

James Cowen

Managing Director

Senior Portfolio Manager

James Cowen

James Cowen is a Managing Director and Senior Portfolio Manager for Invesco's Listed Real Assets team. In this role, his duties include fundamental and securities research on real asset securities.

Mr. Cowen joined Invesco in 2000. Prior to his current role, he worked in a real estate corporate finance role for Invesco in Europe. Previously, he was a financial analyst for Jonathan Edwards Consulting, based in London. Mr. Cowen began his investment career in 1999.

Mr. Cowen earned a bachelor's degree and a master's degree from the University of Manchester, as well as a master of philosophy degree from the University of Cambridge. He is a member of the CFA Society United Kingdom, the FTSE EPRA Nareit European Regional Advisory Committee, and is a UK Financial Conduct Authority (FCA) approved person.
