#### **Additional Information** (continued)

#### **Account Types**

UTMA/UGMA - If UTMA/UGMA is selected, a UTMA is established unless otherwise requested, or unless the account is established for Guam, or the U.S. Virgin Islands, as these states/territories have not adopted the UTMA. The assets in a UTMA/UGMA account are considered an irrevocable gift to the minor named in the account registration. Once the former minor on an Invesco UTMA/UGMA account reaches the designated age of trust termination, the custodian no longer has the authority to process financial transactions on the account, and the account should be re-registered to the former minor so that he/she will have full control of the assets.

#### **Joint Accounts**

Joint Tenants with Rights of Survivorship (JTWROS) - A form of account registration in which two or more individuals share an undivided interest in an account. In the event of ones tenant's death, the surviving tenant(s) automatically inherits the property without the necessity of court proceedings.

Tenants in Common (TIC) - Joint account in which each tenant owns a divisible interest, determined and recorded by the tenants. Upon the death of a tenant his portion goes to his estate, and the other tenants receive their interest in the account.

Tenants by Entirety - A joint account between husband and wife in which each tenant has full interest in the account. Upon the death of one spouse, the survivor takes title immediately.

Community Property - Equal ownership of all property accumulated by spouses during marriage. Anything owned prior to the marriage is considered separate property.
