

Kehong Jiang

Associate Director, Investment

Kehong Jiang

Kehong Jiang is an Associate Director for the Equity Investment team at Invesco, based in Hong Kong. In this role, he is the lead manager for fundamental-based China A-shares strategies.

Mr. Jiang joined Invesco in 2022, transitioning from Invesco Great Wall (IGW), the firm's onshore China funds management joint venture. He invested over fifteen years at IGW, where he developed experience in risk management, industry research, and investment management in China A-shares. Prior to his current role, Mr. Jiang was a portfolio manager. He began his career in 2011 as an analyst specializing in real estate, construction, and industrials.

Mr. Jiang earned a BS degree in mathematical statistics from Jilin University and a master's in economics from Shanghai University of Finance and Economics. He is a Chartered Financial Analyst® (CFA) charterholder.
