

Joseph Madrid, CFA[®], CAIA[®]

Head of Credit Portfolio Management, Global Liquidity

Joseph Madrid, CFA[®], CAIA[®]

Joseph Madrid is Head of Credit Portfolio Management for Global Liquidity at Invesco. In this role, he is responsible for contributing to the strategy and management of cash management products, including institutional, retail and offshore funds, as well as private accounts and ultra-short bond portfolios.

Mr. Madrid joined Invesco in 2009. Prior to his current role, he served as a fixed income analyst, responsible for providing investment research, credit analysis and portfolio management support for cash management products. Before joining the firm, he was a portfolio manager in client service and a senior fixed income securities analyst at National City Corp. Mr. Madrid began his investment career in 2002 as a financial analyst with J.P. Morgan Chase & Co.

Mr. Madrid earned a BA degree in accounting from Baldwin-Wallace College and an MBA from the University of New Mexico. He is a Chartered Financial Analyst[®] (CFA) and a Chartered Alternative Investment Analyst[®] (CAIA) charterholder.
