

Christopher Faems, CFA®Portfolio Manager

Christopher Faems, CFA®

Christopher Faems is a Portfolio Manager for the Listed Real Assets team at Invesco. In this role, he is responsible for conducting fundamental and securities research on real estate securities.

Mr. Faems joined Invesco in 2006 as an investment analyst. Prior to his current role, he served as an associate portfolio manager. Before joining the firm, Mr. Faems was a senior research analyst focusing on equity research and investment recommendations for mortgage finance companies at Flagstone Securities. Prior to that, he was a research analyst covering small- and mid-cap financial services companies at Kennedy Capital Management, and an investment banker in the financial institutions group of Stifel, Nicolaus & Company. Mr. Faems began his investment career in 1996.

Mr. Faems earned a BS degree in finance from Washington University in St. Louis. He is a Chartered Financial Analyst® (CFA) charterholder.
