

Kevin Petrovcik

Managing Director

Senior Client Portfolio Manager

Kevin Petrovcik

Kevin Petrovcik is a Managing Director and Senior Client Portfolio Manager for Invesco's Global Private Credit group. In this role, he works with the portfolio management team, acting as its representative to clients and other intermediaries globally. Mr. Petrovcik is responsible for the ongoing product development, structuring, and marketing of investment portfolios for senior loans and alternative credit products.

Mr. Petrovcik joined Invesco in 1999 to establish its product management initiative and launch the firm's first collateralized loan obligation. During his tenure at Invesco, he has overseen the creation and launch of Invesco's US and European CLO platform, commingled institutional bank loan products, bank loan and CLO note ETF products, and the integration of proprietary ESG ratings for private credit. Prior to joining the firm, Mr. Petrovcik was director of Loan Pricing Corporation's (Thomson Reuters LPC) public data group. While at LPC, he launched Reuters' first internet product and started the LSTA/LPC mark-to-market pricing service. He began his career as a corporate credit analyst with The First National Bank of Chicago.

Mr. Petrovcik earned a BS degree in accounting and economics from New York University Stern School of Business and an MBA in finance and business policy from the University of Chicago Booth School of Business. He holds the Series 7, 24, and 63 registrations.
