

Jason Trujillo

Portfolio Manager

Jason Trujillo

Jason Trujillo is a Portfolio Manager with Invesco Fixed Income with responsibility for investment decision-making in the emerging market credit space.

Mr. Trujillo entered the industry in 2007 and joined Invesco in 2013. Previously, he was with Lord Abbett as an associate portfolio manager in the taxable fixed income group. He also worked as a senior investment analyst at Duggan Asset Management and as a vice president of the fixed income division of Nomura Securities International.

Mr. Trujillo earned a BS degree in business management from North Carolina State University. He also earned an MBA from The Fuqua School of Business at Duke University.
