

Ido Cohen

Senior Portfolio Manager

Ido Cohen

Ido Cohen is a Senior Portfolio Manager for Invesco large-cap growth equity strategies and is the Lead Manager for Invesco consumer trends products.

Mr. Cohen joined Invesco in 2010. Prior to joining the firm, he was a vice president at J&W Seligman Investments, where he worked as a senior analyst focusing on information technology, media, and telecommunications equities. In 1999, he joined the US equities telecommunications research team at Credit Suisse, later serving as a senior analyst and co-head of the team. Mr. Cohen also served on an investment team focused on technology, media, and telecommunications at Diamondback Capital. He began his investment career in 1997 as a high yield research analyst with Banker's Trust, focusing on the telecommunications industry.

Mr. Cohen earned a BS degree, cum laude, in economics from the Wharton School of the University of Pennsylvania.
