

Tony Seisser

Senior ETF Portfolio Manager, Equity

Tony Seisser

Tony Seisser is a Senior ETF Portfolio Manager of Equity at Invesco. In this role, he is focused on Exchange-Traded Funds (ETFs) and indexed strategies. As part of a portfolio management team, he shares responsibility for overseeing Invesco's domestic and international equity, ETFs, and indexed strategies.

Mr. Seisser joined Invesco in 2013. Prior to joining the firm, he was employed by Guggenheim Funds Distributors, Inc. as a global ETF trader. Before that, he was a compliance investigator at the Chicago Board Options Exchange (CBOE) and CBOE Futures Exchange (CFE). Prior to that, Mr. Seisser had a career as a single-stock and ETF market maker on the floor of the Chicago Stock Exchange. He entered the industry in 1990.

Mr. Seisser earned a BA degree with concentrations in education and political science from North Central College. He holds the Series 7 registration.
