Why is Invesco High Yield Municipal Fund reopening to all investors?

Invesco continuously and carefully evaluates the changing market environment and the level of the fund's AUM (currently \$10.3 billion as of March 20, 2020). We currently believe there are attractive opportunities that align with our investment criteria and that reopening the fund at the present time is in the best interest of shareholders.

Fund management will continue to monitor market conditions and opportunities affecting ongoing capacity. If conditions warrant, the team may choose to once again close the fund at a future date.
