

Biography

Sergey Protchenko

Quantitative Research Analyst

Sergey Protchenko

Sergey Protchenko is a Quantitative Research Analyst for the Invesco Quantitative Strategies team. In this role, he is responsible for statistical testing, factor analysis, coefficient derivation and performance attribution for the quantitative models used in managing large-, mid- and small-cap equity and tactical asset allocation portfolios.

Mr. Protchenko joined Invesco in 2005. Prior to joining the firm, he was a system and network analyst at Bio-Rad New England. He has been in the industry since 2005.

Mr. Protchenko earned dual BS and business administration degrees in finance and management information systems from Northeastern University and an MBA, as well as an MS degree in finance from Bentley University.
