See back of form for additional questions. Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ The Fund paid a monthly distribution to shareholders from January 2021 to February 2021. Each distribution constitutes a non-taxable return of capital. Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ► Each distribution that constitutes a non-taxable return of capital will decrease a U.S. taxpayer's basis in the shares of the issuer. For the non-taxable return of capital see attachments. Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ► The Fund's current and accumulated earnings were compared to distributions paid during the period ended February 2021. The non-taxable return of capital represents the amount of distributions paid during the taxable period ended February 28, 2021 in excess of the Fund's current and accumulated earnings and profits under IRC Section 316.
