Part II  Organizational Action  
Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for
the action. At the close of business on July 17, 2023 the Fund affected a 5:1 stock split of its shares of the Fund.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per
share or as a percentage of old basis. Upon the date of the stock split, the number of Fund shares held by each shareholder were increased 400%, from what was held by each shareholder on
the day immediately preceding the stock split. No fractional shares will be issued.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the
valuation dates. The post-split (new) basis per share is equal to the pre-split basis divided
by five. While the basis per share is impacted, the basis of the Fund shareholders' total
investment remains the same.
Part II  Organizational Action (continued)

17  List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ▶  A stock split is a non-taxable recapitalization pursuant to IRC § 368(a)(1)(E). Section 354(a)(1) provides, in relevant part, no gain or loss shall be recognized if stock in a corporation is exchanged solely for stock in such corporation. Section 358(a) provides that the tax basis of stock in a corporation received in exchange will be the same as the tax basis in the stock exchanged.

18  Can any resulting loss be recognized? ▶  As set forth above, no loss is recognized on the stock split.

19  Provide any other information necessary to implement the adjustment, such as the reportable tax year ▶  This organizational action is reportable with respect to taxable year ended April 30, 2024.
